Invitation to Hannover

Dear friends and colleagues,

In 1985, the first European Burns Association Congress was held in Groningen, the Netherlands. It is my pleasure to announce, that the 30th anniversary, the 16th European Burns Association Congress 2015, will take place in Hannover, Germany! I am honored to invite all colleagues to Hannover, from the 16th to the 19th September 2015.

I would like to thank you for having supported our and Germany's candidacy! It is a great honor for me personally and for the German Burns Society (DGV) to host this prestigious and renowned congress.

The congress serves to disperse the most current information in science of burns to experts in European and other foreign countries. The EBA congress group, the DGV, the local congress team and me are looking forward to organize a challenging and interesting program.

We are now starting to make a first agenda for the meeting and provide you with the necessary details of registration and abstract submission. Please keep in mind that early booking will help both you and us to have a smooth preparation and a successful meeting. We would be most grateful for any suggestions and help.

I hope to welcome you all in Hannover in 2015.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Peter M. Vogt'.

Scientific Programme

We are happy to invite you to the 16th meeting of the EBA in Hannover, Germany. Hannover is known worldwide as a venue for rich and groundbreaking innovative trade fairs and conventions including the World Expo 2000. Throughout history Hannover played an essential role shaping the cultural and social landscape of central Europe.

It is in this spirit that we would like to fill the congress with innovation, controversy and discussions to advance the treatment of burn patients.

We invite you to submit your poster and presentation abstracts on the current state of your work. In continuing the tradition of EBA meetings as an educational forum, we plan to emphasize and expand the instructional course panel section, which will incorporate both didactic presentations as well as instructional videos. Therefore we also invite you to submit your videos concerning the topics of the planned EBA meeting. Each panel will open with a state of the art lecture, followed by an in depth discussion.

We are looking forward to the active participation of both the younger colleagues and experienced faculty leading with their wealth of experience interesting and intense discussions. We also extend a special welcome to nurses and therapists involved in burn care.

We are looking forward to receive your abstract submissions under www.eba2015.de and are excited to welcome you to Hannover in 2015.

Congress Dinner

Friday 18 September 2015

Let's have an unforgettable and glamorous evening at the Herrenhausen Gardens which represents a stunning location and promises hours of exotic fascination and enjoyment. The Galerie has hosted banquets and balls for more than 300 years. Today's visitors are enchanted and fascinated by the historical wall frescoes of a scope unique in Germany. The congress dinner will be an occasion you will long remember.
