## Programme

# Eastern European Symposium

## „NEPHROLOGY and PAEDIATRIC UROLOGY“

Department of Paediatric Surgery  
Medical University of Graz/Austria

**November 26 to 27, 2015**

**Location:**

**Auditorium of the Children's Centre  
Auenbruggerplatz 34, 8036 Graz**

Dear colleagues and friends,

the Department of Paediatric and Adolescent Surgery in Graz has a long-standing tradition to connect with colleagues and friends in Eastern European Europe and way beyond. This year, we invite you to an interdisciplinary symposium about paediatric nephrology and urology. Designated masters will deliver “Goldstandard Lectures” covering a broad spectrum of knowledge, research and training. Moreover, Prof. CK Yeung from Hong Kong will give the “overseas lecture” about his famous pneumo-vesicoscopic Cohen technique. In between there should be plenty of time for academic discussions and lunchtime talks with friends.

Hope to see you in Graz for the Eastern European Symposium in 2015!

Holger Till

**Registration:** Dept. of Paediatric and Adolescent Surgery  
Auenbruggerplatz 34, 8036 Graz, Austria  
Phone: +43 316 385 13762
