

# Paediatric Surgical Oncology Masterclass

Paediatric Surgical Oncology is a subspecialty of Paediatric Surgery.

A two day Paediatric Surgical Oncology Masterclass, aimed primarily at British trainees, will take place in the Royal Hospital for Sick Children, Glasgow, on Friday 28th February and Saturday 1st March 2014.

It will encompass general surgical principals, paediatric oncology and special surgical techniques. A full understanding of the basic biology of tumours affecting children and the ability to deal with the complications of the treatment, medical or surgical, will be presented and discussed

All registered delegates will receive course material and a certificate of attendance. There will also be a course dinner on Friday 28th February 2014, allowing a chance to network with other candidates and the Masterclass Faculty.

## Masterclass Faculty includes:

Dan Aronson  
Robert Carachi  
Giovanni Cacchetto  
Jan Godzinski  
Helene Martelli  
Mark Powis  
Dermot Murphy

## Application:

Further information and application forms available from Rosemary Mackenzie on:

[exam@paediatricsurgeryexam.org](mailto:exam@paediatricsurgeryexam.org)

Complete your application form and arrange payment as soon as possible following the information on the application form.

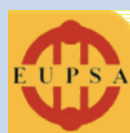

When your place is confirmed, you will be sent details of local hotel accommodation, pre course information and a programme for the two days.

You will also be asked if you wish to attend dinner (separate payment required).

## Masterclass Fees:

Early Bird Trainee	£150.00
Trainee	£175.00
Early Bird Non Trainee	£200.00
Non Trainee	£225.00
