# Invitation

Dear Participant,

The University Clinical Hospital of Mostar, Bosnia and Herzegovina is honored to organize the 1<sup>st</sup> Pediatric Minimal Access Surgery Live Surgery Workshop and Teaching Course in Mostar on 26 February 2016 under the auspices of the European Paediatric Surgeons Association (EUPSA).

This Course has been designed for training in Pediatric Minimal Access Surgery with theoretical teaching sessions and demonstration of live surgical procedures.

The University was established in Mostar in 1977 and faculties and higher schools function further on as its part. University Clinical Hospital Mostar is the largest hospital in Mostar, Bosnia and Herzegovina.

Since 1997, the hospital has cooperated with the University of Mostar's Medical Faculty in training medical professionals. The Center recognizes the need for implementing and improving Minimal Access Surgery for Pediatric Surgeons in this region.

University Clinical Hospital Mostar offers an excellent infrastructure to participants for this Workshop/Teaching Course which along with an exceptional social program will provide an environment for scientific exchanges.

Prof. Ante Kvesić
